Re: United States v. Reginald Latimore, 20 Cr. 697 (PAE)

Dear Judge Engelmayer:

A sentencing conference in the above-captioned case is scheduled for July 27, 2021. The Government submits this letter on behalf of the parties jointly to respectfully request an adjournment of the sentencing conference. After conferring with the Court's chambers, the parties respectfully request that the Court reschedule the conference for August 30, 2021 at 10:30 a.m.

The adjournment is requested to accommodate a scheduling conflict for defense counsel, as well as to permit defense counsel sufficient time to meet with the defendant, who is detained, to review the Presentence Investigation Report ("PSR") and forthcoming defense sentencing submissions. The Government understands that the defendant's receipt of the draft and final PSR was significantly delayed, and defense counsel's ability to meet with the defendant with regard to sentencing was significantly impeded, as a result of restrictions imposed in response to the COVID-19 pandemic.

The defendant is currently detained at the Brooklyn MDC, and his United States Marshal number is 87847-054.

Respectfully submitted,

AUDREY STRAUSS
United States Attorney
